Mon Sheong Foundation is spearheading a partnership with three community partners, R.E.A.C.H. for Aging Well. Funded by the Government of Canada under the New Horizons for Seniors Program, the project includes a variety of programs and service, reaching out and encouraging Chinese seniors, 55 and over, in the GTA to become a part of the community. °

**Goal:**

With global aging sweeping the planet, how we care for our seniors' health has become a prominent concern. Mon Sheong Foundation hopes that through this initiative, we can:

- Raise community awareness towards Chinese Seniors' social inclusion by encouraging intergenerational connections
- Improve physical, mental and social well-being of Chinese age 55 and over

It is hoped that through the concerted efforts of the backbone and collaborating organizations, more community resources will be created and accumulated, which is conducive to strengthening social cohesion and promoting social inclusion of Chinese seniors in the GTA.
